

PLEDGE OF ALLEGIANCE

The SPEAKER. Will the gentleman from Colorado (Mr. COFFMAN) come forward and lead the House in the Pledge of Allegiance.

Mr. COFFMAN of Colorado led the Pledge of Allegiance as follows:

I pledge allegiance to the Flag of the United States of America, and to the Republic for which it stands, one nation under God, indivisible, with liberty and justice for all.

ANNOUNCEMENT BY THE SPEAKER

The SPEAKER. The Chair will entertain up to 15 requests for 1-minute speeches on each side of the aisle.

OUR NATION IS ANXIOUSLY
AWAITING DECISION ON
OBAMACARE

(Mr. WILSON of South Carolina asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. WILSON of South Carolina. Mr. Speaker, Americans will find out what we've been anxiously awaiting for the past 2 years: whether or not the government health care takeover bill is constitutional. Tomorrow, at 10 a.m., people across the Nation will be closely watching and listening as the Supreme Court delivers its opinion.

In efforts to rally her party for ObamaCare, former House Speaker NANCY PELOSI outraged Americans at a press conference by stating, "We have to pass the bill so we can find out what's in it." The American people now know this bill, and they overwhelmingly disapprove of this bill, which the National Federation of Independent Business reveals will destroy 1.6 million jobs.

It is my hope that the Supreme Court will side with the best interests of the American people and overturn the job-destroying, out-of-control spending, and overreaching government health care takeover bill, which will hurt senior citizens with waiting lists, rationing, and denial of service.

In conclusion, God bless our troops, and we will never forget September the 11th in the global war on terrorism.

Congratulations, Tom Rice of Myrtle Beach.

OPPOSING CONTEMPT CITATION
AGAINST THE HONORABLE ERIC
H. HOLDER, JR., ATTORNEY GEN-
ERAL OF THE UNITED STATES

(Mr. CONNOLLY of Virginia asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. CONNOLLY of Virginia. Madam Speaker, tomorrow we risk bringing dishonor to this House.

For Members who revere Congress as the legislative branch of government, the majority's irresponsible and unprecedented contempt vote is just another sad chapter in our recent institu-

tional decline. I implore my colleagues to give careful consideration as to whether we truly want the 112th Congress to become the first in history to hold a sitting Cabinet member in contempt of Congress.

Do we really want our legacy to be establishing one of the most partisan House of Representatives of all time, so clouded in judgment, so besotted with rancor and partisanship, that we are incapable of addressing vital separation of powers conflicts in a serious and fair fashion?

Further negotiations with the Department of Justice and the Attorney General are clearly available if we want a solution. I urge my colleagues to join me in restoring honor and dignity to this House by opposing the nuclear option: a contempt citation.

SMALL BUSINESS LENDING FOR
JOBS ACT OF 2012

(Mr. COFFMAN of Colorado asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. COFFMAN of Colorado. An important part of the continued viability of our Nation's small businesses is their access to capital. To foster this access, we need to provide community financial institutions with responsible regulatory relief so they can increase lending to small businesses.

That is why, today, I have introduced the Small Business Lending for Jobs Act of 2012. This bipartisan legislation will allow community banks to spread losses in commercial real estate over a 7-year period. This will allow banks to retain more capital and use these funds to make new loans to small businesses in their communities.

The bill also establishes a dual mission for Federal banking regulators and the Consumer Financial Protection Bureau, mandating these entities promote credit availability so long as that credit is provided in a safe and sound manner. This will bring a greater balance to banking regulations. A dual mission will lead to regulators factoring in the impact on banks, communities, and customers in making their decision.

I urge my colleagues to support the bipartisan Small Business Lending for Jobs Act of 2012.

AMERICA'S CUP

(Mr. CICILLINE asked and was given permission to address the House for 1 minute.)

Mr. CICILLINE. Madam Speaker, I rise today to recognize the work being done in my home State of Rhode Island as we host the final leg of the inaugural America's Cup World Series, an incredible boost to our tourism economy and a great moment for our State.

Teams of competitors and spectators from around the world have come to Newport for the America's Cup World Series, which according to some esti-

mates is expected to bring in \$70 million for our State's economy.

Although Newport hosted the America's Cup from 1930 to 1983, this marks the first time in history that America's Cup races are actually being held inside Narragansett Bay.

The opportunity to host a leg of this year's America's Cup not only provides a source of real economic benefit for our State, but also an intangible level of pride for all Rhode Islanders.

Thank you to the organizers for their hard work. I wish the competitors good luck, and to all those likely to benefit from the enormous economic impact of these events, much success.

BAXTER BOMB SQUAD
RECOGNITION

(Mr. CRAWFORD asked and was given permission to address the House for 1 minute.)

Mr. CRAWFORD. Madam Speaker, I rise today to honor the members of the Mountain Home High School FIRST Robotics team, first known as the "Baxter Bomb Squad," who recently won the For Inspiration and Recognition of Science and Technology championship. The team was made up of 22 students and 14 adults, including several pairs of father-and-son teams.

Together they spent hundreds of hours building a robot, which competed in the Rebound Rumble, a basketball-inspired game. The team competed in front of an audience of 30,000 people and against more than 400 other teams.

The Baxter Bomb Squad has been competing for 17 years, and for the very first time this year, they won the championship. They were sponsored by local businesses, including Baxter Healthcare and Mountain Home High School.

The For Inspiration and Recognition of Science and Technology championship has helped influence thousands of students throughout the country to pursue higher education in engineering and related scientific fields. Students who participated in this competition are 50 percent more likely to attend college and twice as likely to major in science and engineering.

Congratulations to the Baxter Bomb Squad. Best of luck for years to come.

ORAL CHEMOTHERAPY

(Mr. HIGGINS asked and was given permission to address the House for 1 minute.)

Mr. HIGGINS. Madam Speaker, every day more and more cancer patients across the country are denied coverage for smart drugs because insurance companies refuse to cover them.

A resident in my district called my office last month to say that her insurance company refused to cover an oral chemotherapy drug she was prescribed to fight her cancer because her policy only covered generic drugs.

Madam Speaker, the insurance paradigm has not kept pace with the
